

# Why I Think We Need A New Voice in Kennett Township Government

My name is Monique Giroux, and I was very happy when my husband, Peter Doehring, told me he was considering a run for Kennett Township Supervisor, challenging the incumbent Whitney Hoffman. I know what's involved – a six-year term, lots of responsibility, and very little pay. It's a big commitment, so why did we decide to do it?

During our 20 years in KT, Peter and I have **worked hard to promote key Democratic priorities** like open space and trails and were very excited when we Dems finally took power. Of course we were shocked by the revelations of Lisa Moore's \$3.2M theft, but since then we've been even more shocked to see Hoffman repeatedly supporting unsound policies that are seriously undermining all the Dems have fought for. **We can't let this go on.**

We need a new Democratic Supervisor, one with a **track record of leadership, oversight, public service, and accountability** to turn our Township government around. Peter fits that description perfectly. He has far **more public sector executive experience** than any of our current Supervisors, and knows how to steer organizations through difficult change.

# Vote Peter

for Kennett Township Supervisor  
May 18 Democratic Primary

Dear Fellow Kennett Township Democrat,

I'm running for Kennett Township Supervisor in the May 18 Democratic primary, but, as you know, no candidate runs alone. Like me, my wife Monique retired early from a successful business career to focus on family and community. We love Kennett!

As lifelong Democrats, and on behalf of our three children, we have worked hard to turn KT blue. We remember the nightmare of the last township administration led by Republicans, and we vowed to NEVER let that happen again! My decision to run was made jointly with Monique because, as Democrats well know, we are all in this together!

But please turn over the card to hear directly from Monique, and what she thinks is at stake in this race.
