

# What Kendal Democrats Can Do to Keep Kennett Township Blue

**Kendal Democrats have helped the Dems win the last five Supervisor elections** in Kennett Township. As a loyal Democrat, **I say thanks!** This year a Democratic incumbent, Whitney Hoffman, is running for reelection, and, under normal circumstances, she might seem to be the obvious choice.

But Hoffman is the first incumbent to face voters after the **full extent of Lisa Moore's alleged \$3.2M embezzlement** was publicly announced, and that **spells serious trouble for Democrats**. Incumbents almost always lose when a **major embezzlement happens** on their watch. In addition, Kennett Township **Democrats cannot win elections without Independents and cross-over Republicans**. Because of the scandal, that's **unlikely to happen** now.

Fortunately, there's a great alternative: **I'm challenging Hoffman in the May 18th primary**. I have no connection to the Moore scandal, but that's certainly not my only qualification for the job. I'm a 20+ year Township resident, I've been **active in local non-profits for years**, and I've been a **successful public sector executive managing large human service organizations for two decades** - far more relevant experience than Hoffman's.

Now I'm **counting on Kendal Democrats to make the right choice again** and vote for me in the May 18 primary. Once I win, we Dems can finally **put the Moore scandal behind us**, and have a **fighting chance to keep this seat blue in November**.

Thanks for your support,

Peter Doehring

# Vote Peter

for Kennett Township Supervisor  
May 18 Democratic Primary

Dear Kendal Democrat,

In 2011, when Scudder Stevens became **the first Democrat ever to be elected Supervisor** in Kennett Township, **the support of Kendal Democrats was critical**. Building on that support, we Dems then went on to win four more elections, **turning KT a solid blue**.

**But this year, keeping KT blue will be far more difficult**, mostly because of the **\$3.2M Lisa Moore embezzlement scandal** which occurred **on the Democrats' watch**. KT Dems still need **independents and Republican crossovers** to win in November, and those voters are now very unlikely to support **any Democratic incumbent**.

The good news is that **we Dems don't have to run an incumbent tainted by the Moore scandal** in November. **Please turn over this card** to find out what you and your fellow Kendal Dems need to do in the May 18 Democratic primary to **keep this Supervisor seat blue and maintain full Democratic control of Kennett Township**.
